

# Palliative Care Tasmania Strategic Plan

**PalliativeCare**  
TASMANIA

PCT is the peak body committed to achieving quality palliative care and end-of-life care for all Tasmanians. We work collaboratively with our members to ensure all Tasmanians have equitable access to timely care and support based on their individual needs and wishes.

## Our Vision:

All Tasmanians with a life limiting illness, together with those they value in their communities, are supported to live, die and grieve well.

## Our Mission:

We lead and influence policy and proactively, advocate, educate and support people to access quality palliative care.

## Our Values:

Wellness of the whole person and those they value  
Honesty in our interactions  
Integrity in all we do  
Compassion in the decisions we make  
Respect for people and their choices

## 01 Empowering Community

A community that is informed, supportive and capable of engaging with palliative care and end of life care.

## 02 Developing the Sector

Contributing to a skilled palliative care and end of life sector that is accessible, inclusive and responsive to the Tasmanian community.

## 03 Leading Voice

The leading voice for improving access to palliative care and end of life care in Tasmania

## 04 Quality Organisation

An organisation that is innovative, inclusive, and sustainable.
